

FURNITURE FINISHES & REPAIRS
AND
INTRODUCING OUR 'BRAND NEW' JOINERY FINISHING PLANT

At Glimmer Furniture Finishes & Repairs we specialize in the restoration & Finishing of all timber products & furniture. Our service is second to none.

Glimmer Furniture Finishes & Repairs is a family run & owned business in Queenstown which has been a part of the Furniture restoration trade for the past 3 generations. The skills have been passed down through the generations for all specialized types of traditional methods of Furniture Restoration, Repairs & finishes.

Our services have also been diversified to suit the changes to Modern timber furniture & Joinery paint finishes which are more commonly used today.

We only do the highest quality work for all our customers and as a result, a high percentage of our business is from repeat customers and referrals.

We are a Queenstown's only based Furniture Restorers and have recently upgraded our facilities with a "BRAND NEW" Top of the line Italian Made Spray Plant for the Finishing of Kitchen Cabinetry and associated joinery to add to our already fantastic plant in Queenstown.
